VIA E-FILING

Dear Ms. Gilbert:

**Re: Tim Thompson et al, Applicants v Unifor Local 222, Responding Party v Durham Region Transit Commission (Regional Municipality of Durham), Intervenor
OLRB File No.: 1749-23-U**

I remain counsel for the Responding Party trade union in this matter.

The Board has scheduled a consultation on May 12, 2025. Unfortunately, I have another prior scheduled obligation on that day. The Responding Party therefore requests that the Board cancel the scheduled consultation and schedule a consultation on a new date to be set in consultation with the parties. Given the rather complex factual history that is outlined in the filed response, it is not practical to re-assign the consultation to another lawyer.

Counsel for the Intervenor, Ms. McDermott has consented to this request.

Mr. Leah, the Applicants' representative, has not consented, and he has expressed concerns to me about delay. We will of course cooperate to ensure that an alternate date can be identified without causing undue delay attributable to this request.

Thank you in advance for the Board's consideration of this request.

Yours very truly,

Anthony Dale
